

# Benchmark your emergency management functions!

## Chartwell Emergency Management Survey

### SAMPLE QUESTIONS

1

Does your utility take an “All Hazards” approach to emergency management?

2

How do you staff your Incident Management Teams (IMTs)?

3

How many qualified individuals does your organization have available to rotate through each of the following primary Incident Command System (ICS) roles?

4

For the following specific hazards or threats, does your utility have a dedicated annex, functional plan, or hazard-specific procedure within your corporate Emergency Operations Plan?

5

Which of the following best describes the primary tool or platform your utility's incident management team uses to maintain its Common Operating Picture (COP) during activations?
