EMACS

PowerUp

SEPTEMBER 22-24, 2026 | ATLANTA, GA

EMACS and PowerUp bring utility leaders together to connect, share insights, and explore bold strategies to enhance the customer experience, improve outage communications, and tackle many more industry challenges.

Don't miss your chance to network with 500+ utility industry decision makers on a mission to find solutions, gain actionable ideas, and shape the future of the utility sector.

ABOUT CHARTWELL

Chartwell's utility network includes 14,000+ utility professionals at 300+ utilities in the U.S. and Canada. They participate in our 8+ Leadership Councils and rely on our utility research.

Roles include customer care, communications, outage, billing and payment, marketing, and more. Nearly 7,000 of these contacts work for utilities with over 1 million customers.

“

Chartwell goes above and beyond to answer our questions and to make sure they're connecting us with the right people. I appreciate how Chartwell takes a vested interest in getting to know us and the unique elements of our business.

Director of Customer Experience,
Mid-Size Northwestern Utility
